

Scout badges that you should move to a new Explorer Uniform

While some of the badges a Scout gains are unique to the section, the following badges should be moved onto their brand-new, beige Explorer Scout shirt when a young person gets invested into the Explorer Unit.

Moving On Award

This award recognises the moving on of a Scout to the Explorer Scout Unit and should be worn throughout their time as an Explorer.

Joining In Awards

A Scout can achieve up to three of these while in the Troop and up to year 12 while in Explorers. All of these badges should be worn together.

Staged Activity Badges

Only the highest of each staged badge type should be worn (lower numbered badges should be taken off and sewn onto their camp blanket!)

Chief Scout's Gold Award

This is the highest award possible in the Scout Section. It will stay on their Explorer uniform until they gain the Platinum Award.
